

Dear Student, Please make sure that you have the attached medical forms completed fully and you should get the following test carried out by a reputable laboratory. You must ask the laboratory to issue you two sets of reports for each test and the test reports must have following information written on it.

Name:

Sex:

Date of Birth:

NIC No:

Date:

Tests to be carried out:

- 1) Antibody to Hepatitis C Virus (Anti HCV)
- 2) Hepatitis B Surface Antigen (HbsAg)
- 3) Human Immune Virus (HIV)
- 4) VDRL
- 5) Blood group (Rhd)

Get the photos on attached Physical record signed and stamped on the front and also back of the form by Medical Superintendent from a government hospital.

All the above tests can be carried out by Chinese Hospital (for Pakistani students).
